Each year the members of the Gamma Mu Chapter of Delta Kappa Gamma present two \$500 book awards to graduating senior girls. The awards are given on a rotating cycle with all schools in White and Cass County included. This year, the 2019 Book Awards will be presented to two senior girls, one from Logansport High School and one from Lewis Cass High School.

Because our organization supports and is run by women educators, applicants should be a female senior who plans to pursue a career in education and is enrolled in a four year college for the fall of 2019. We would greatly appreciate your help in finding applicants from your school.

I have enclosed a copy of the application. Please pass copies on to qualifying students so that they may apply. The deadline for application is April 8. Applications should be sent to:
