

Logansport High School Non-Traditional Physical Education Waiver Enrollment Form

The Indiana State Board of Education has provided flexibility to adapt the high school physical education requirements for students who demonstrate proficiency through other means. Logansport High School students are required to take two semesters of Physical Education to graduate. Both credits may be earned through non-traditional PE. A student can receive one (1) credit for participation in each qualifying activity. Each activity can only be used once to obtain a PE credit. The maximum number of credits that can be earned through non-traditional PE is two (2) which will meet the graduation requirement. A student must participate in one of the activities listed below and receive a grade of “A”.

Please note: These credits DO NOT count towards IHSAA athletic eligibility. Students must be enrolled and passing 5 courses each semester for athletic eligibility. Student managers do not qualify for the waiver.
