

# 2018-19 Senior Flex Schedule

**Goals and Purpose:** We encourage students to take a rigorous schedule of courses during their senior year. All current research indicates that a student who does so is more successful at the college and university level. We also encourage seniors to prepare themselves beyond the academic challenges coming in their post-secondary school lives. One of the greatest of these challenges for high school seniors is handling new freedoms and choices open to them after graduation.

To help seniors at Logansport High School prepare for the next stage of their lives, seniors have the option to experience some of this flexibility while still in the supportive environment of the high school setting. Seniors who take a rigorous schedule—equivalent to a full semester of college credit—will be given the option of reducing their course load by 1 to 3 classes. During the flex periods, seniors will make choices about the use of discretionary time, but they will be required to maintain academic proficiency, follow established procedures, and manage their flex time well.

If students choose to stay on school grounds during flex times, they have the option to use the Library. If they leave the school grounds, they must check in and out according to the established procedures. Note: Students on the flex schedule may leave school grounds during their lunch shift (even if they have a 4<sup>th</sup> period class).

## To Qualify for Senior Flex Schedule:

- Student must be on track to graduate on time with a Core 40, AHD, or THD and have 40 credits at the completion of grade 11.
- Student must take four or more in-house Logansport High School/Century Career Center flex qualified courses. Qualified Courses = AP courses, Dual-Credit courses (Any off campus college/university classes must be approved by the principal.)
- During the senior year, failure to maintain a C or higher on nine-week or semester grade checks in all courses will result in assignment to a study hall until grades improve.
- Student must follow all school policies and procedures, including timely completion of the required College and Career Readiness activities, or risk forfeit of this privilege. (See below)
- Student must be in and remain in good standing.
- Parents must sign an agreement allowing the student on a Senior Flex Schedule to leave school grounds.

## College and Career Readiness Requirements

- Students will be required to submit proof of participating in two (2) of the following activities per semester:
  - College and university representative presentations
  - College and university visits to campus
  - Career interest inventory quiz
  - SAT/prep class at LHS
  - SAT/prep program on Khan Academy
  - Workshops for college readiness (Financial Aid Night, College Night, Senior Boot-Camp, FAFSA Family Nights)

## Scheduling:

- Seniors interested in a flex schedule should fill out the Intent to Apply form. Please discuss any scheduling questions with your guidance counselor.
- The Logansport High School master schedule has been developed to accommodate the needs of all students at LHS. Guidance counselors will not change schedules of individual seniors in order to qualify for a flex schedule, nor will counselors consolidate flex periods to allow for late arrival or early dismissal. For example, **counselors will NOT**: Move a class from first semester to second semester in order to create the flex option or move a class from one period to another period to allow for late arrival, early dismissal, or grouped flex periods.

The Senior Flex Schedule is not required, nor is it a right. Students should work carefully with parents and their guidance counselors to determine if this schedule is in their best interest. School officials may revoke this privilege at any time if the student does not follow school policies or if the student is unable to handle the discretionary time or academic load.
